

Wire Fraud Advisory

IMPORTANT NOTICE: Never trust wiring instructions sent via email. Cyber criminals are hacking email accounts and sending emails with fake wiring instructions. These emails are convincing and sophisticated. Always independently confirm wiring instructions in person or via a telephone call to a trusted and verified phone number. Never wire money without double-checking that the wiring instructions are correct.

Please exercise caution when sending money via a wire transfer.

This Important Notice is not intended to provide legal advice. You should consult with a lawyer if you have any questions.
